OBJECTIVE

[This section should provide a clear and concise description of your career ambitions and goals. Be careful this section matches your job applications as unrelated objectives may jeopardise your chances]

EMPLOYMENT

August 2002-present [Job Title] – [Company Name]

- This should be short and concise detailing the specifics of your job responsibilities.
- It is sometimes more presentable in bullet-points rather than long winded paragraphs.
- This (as well as the rest of your CV) should be written as a third party.
